has

Quality & Testing

CBT65 is manufactured using high quality stainless steel blade material, ensuring quality surface finish.

Appropriate Standards

The CBT 65 stainless steel is ASTM-A240 and the same for the clip. The Range 1 wire is supplied as to AS1472-2003.

Recommended Fixings

Recommended fastening of the CBT 65 is via ASF Razar Heavy Duty Clip with M8 Cuphead Bolt, washer and hexagon nut. ASF recommend that every fastening point, a shear nut is used in place of a hexagon nut. Alternatively ASF can provide a Vee Mesh support frame and security fixings

Specifications

The long size blade is manufactured from 0.60mm thick coil stainless steel with a blade length of 65mm at 100mm spacing's creating high security benefits. The core wire selected is a high quality 2.5mm diameter W05 galvanised Range 1 spring wire.
